

# YOJIT SHINDE

<IT GRADUATE/>

PORTFOLIO | GITHUB | LINKEDIN

Hi, I am Yojit. I love to build things. During my undergraduate program, I created various web and android applications. These projects reinforced the passion I have for building user-friendly products while instilling in me both technical and soft skills required in the industry. I wish to take on more sophisticated projects and create state-of-the-art products while improving my professional portfolio.

## Education

**ST. XAVIER'S COLLEGE (AUTONOMOUS)**  
**2020-2023**

Bachelor of Science in **Information Technology**

**CGPA: 8.34**

**RAJHANS VIDYALAYA**
